5th January 2021

Dear Parents,

These are the details of the remote learning that the Key People will be offering to groups over the coming weeks.

- Key people will read a core story for the week. This will be available on the YouTube channel and you will be able to access this as many times as you like.
- Activities linked to the story will be shared with you either by email or by Zoom.
- Key persons will host a live, daily session via Zoom for groups. Where staff are in school, key groups may have Zoom meeting hosted by another member of staff.
- This is optional but we do encourage you and your child to join. This will start on Wednesday 6th January, 2021 and staff will email you the Zoom details tomorrow.
- A 1:1 session can be offered with your child at a time which is convenient to you and staff. This can be either via Zoom or through a telephone call. Please contact your child's Key person, if this is something you want to do.

Please feel free to email any activities you carry out with your child to your Key Person and they will include these in your child's Learning Journal.

I would like to thank you again for your understanding during this difficult time.

Kind regards

Lynda Lodge
Lead Nursery Teacher
