3 Billy Goats Gruff

## Listen to The 3 Billy Goats Gruff story

<https://youtu.be/3QzT1sq6kCY>

Click on the link and listen to the story of The 3 Billy Goats Gruff

## Stepping stones game

Make a set of stepping stones from large paper with the numbers 1-10 on them. Lay them on the ground, so they are in a line to represent a bridge. The idea of the game is for the children to learn to move across the stepping stones in a variety of ways. The children could call out the numbers as they land on them. You can even play follow the leader over the stepping

## Make a bridge

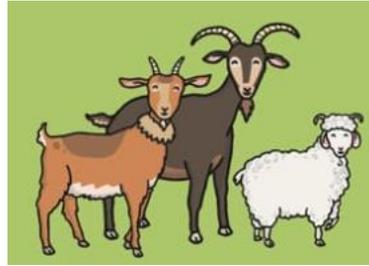

See if you can make a bridge. You can use bricks or recycled materials. Once you have made it you can test it out! What is your bridge for? Is it for the goats to cross, for cars, or for people?

Find out about a famous bridge

Sizes

Learn a song

Look on a computer or in book to see if you can find out about some famous bridges.

There are a lot of Bridges in London maybe you can find out about one of them.

The Billy Goats Gruff in the story were three different sizes.

Have a look around your home and see if you can find something that is bigger than you and something that is smaller than you.

Maybe you can draw them.

See if you can learn the song  
(sing to the tune of Are you sleeping)

Billy Goats Gruff, Billy Goats Gruff,  
Like green grass, like green grass.  
Trotting over the bridge,  
Trotting over the bridge,  
Out jumps the troll! Out jumps the troll!

Billy Goats Gruff, Billy Goats Gruff,  
Want to pass, want to pass.  
They push troll in the river,  
They push troll in the river,  
And eat the grass, eat the grass!

## Being Kind

## Make a troll

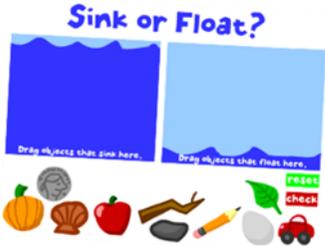

## The sound 'g'

The Troll was very unkind to the three Billy Goats. Talk to a grown up about the unkind things he did and said. Think of some things he could do instead , to be friendly to the goats.

See if you can make a troll. You might like to paint one or make it from recycled materials. Is he going to be grumpy like the one in the story?

See if you can find some things around your home or garden that begin with the sound 'g'. Here are a few ideas...  
grass, grape, glass, goat, gorilla, goose, glove, glue.  
If you cannot find them, perhaps you can draw a picture of them.

<p>Make up your own story</p> 	<p>Where is the troll?</p> 	<p>Sink or float?</p> 
<p>See if you can make up your own story about a troll. You can use the Tales Toolkit ideas. You will need A character - A troll A setting A problem A solution</p>	<p>Cut out the picture of the bridge and the troll</p> <p>Can you put the troll...</p> <p>Under the bridge? Beside the bridge? On the bridge? Behind the bridge? In front of the bridge?</p> <p>Now see if when you put the troll somewhere, an adult can tell you where he is.</p>	<p>Fill a bowl or bucket with some water.</p> <p>Collect things around the home and / or outside that you do not mind getting wet.</p> <p>Now before you place them in the water see if you can predict if it will float or sink.</p> <p>Now test it in the water.</p> <p>You can sort the objects in to a group that sinks and a group that floats.</p>

You can send any of the activities you complete to;
