Dear Parent/Carer

I am writing to tell you about an online questionnaire called **Parent View** that you can use to give your views about our school at any time of the school year.

To complete the short questionnaire at <https://parentview.ofsted.gov.uk> you simply need an email address and a password to register. Once your login has been activated, it only takes a few minutes to choose answers to 12 short questions about the school, such as how well we make sure children behave, the quality of teaching, whether the level of homework given to your child is appropriate, and whether you would recommend the school to other parents. Appropriate 'homework' for our nursery age children includes borrowing books to share at home, the holiday challenges we have set such as collecting autumn leaves, the home/school learning packs and parents/carers helping their children's learning at home using ideas suggested by staff in nursery.

When we are notified that we going to be inspected by Ofsted inspectors will consider parents' views alongside other evidence when making a judgement about a school. It is also useful for us because it gives valuable information about what you think of the school and helps us to improve.

If you do not have a computer or an email address or if you would like help to use Parent View, please come into school and ask at the school office. Please also let us know if you have changed your mobile number and/or email address so we can update our records.

Thank you.

Kind regards

Catherine Croft
