Dear Parents and Carers,

Re: Fees for lunch club and additional sessions

Arlesdene Nursery & Pre-School has become increasingly popular. Consequently, we have a waiting list for families requiring places. Despite the growth in popularity, we have to ensure that our services are financially sustainable. After careful consideration the Governing Body has agreed to an increase in fees - this will be the first increase since 2014.

The new prices will still be very competitive compared to other provision in the local area. The additional income will be used to ensure that our services continue to be of the highest quality. Unlike many other nurseries, the care and learning that the children receive is supported and monitored by qualified teachers.

The increase in fees will be from **1st September 2018**. The new fees will be as follows:

- Morning or Afternoon Pre-school session (3 hours) - **£16.50**
- Lunch Club (11.45am–12.30pm) – (packed lunch from home) – **£5.00**

Thank you for your continued support.

Kind regards,

Catherine Croft
